### *CITATION*

#### EXCELLENCE IN KNOWLEDGE CREATION

Knowledge is power. They say 'Leaders are Readers.'

Knowledge removes the cobwebs of doubt and disbelief and expands the horizons of the mind.

Knowledge handles the two kinds of education -

One which teaches us how to make a living and the other how to live.

Knowledge coupled with clarity of perception creates extraordinarily capable achievers and winners.

Amity University Uttar Pradesh is proud to confer the award for '**Excellence in Knowledge Creation**' upon **Luv Verma**, student of **Bachelor of Technology-Aerospace Engineering + Master of Technology-Avionics (Dual Degree)** on the 2nd Day of May 2013.
